

Oracle Taleo Learn BOOMI END OF LIFE December 31, 2018 !

THE IMMEDIATE CHALLENGE

For the past 10 years, Oracle Taleo Learn clients who have an inbound and/or outbound data integration built by Oracle Consulting Services (OCS) will be losing their integration services at the end of 2018, December 31st.

THE REASON

As stated by the Oracle Taleo Learn product team, (Oracle Doc ID 2348189.1) Oracle no longer will be using or supporting any 3rd party integration services, such as Dell Boomi. All data integrations built and maintained by Oracle will be done using their own cloud integration products and services.

THE SOLUTION

The Cloud Connectors has successfully developed a turnkey fixed fee integration solution, that is fast to implement with the greatest return on investment and minimal impact to your business. The features of our integration solution are:
