

# Oracle Taleo Learn BOOMI END OF LIFE December 31, 2018 !

## THE IMMEDIATE CHALLENGE

For the past 10 years, Oracle Taleo Learn clients who have an inbound and/or outbound data integration built by Oracle Consulting Services (OCS) will be losing their integration services at the end of 2018, December 31<sup>st</sup>.

## THE REASON

As stated by the Oracle Taleo Learn product team, (Oracle Doc ID 23481891) Oracle no longer will be using or supporting any 3<sup>rd</sup> party integration services, such as Dell Boomi. All data integrations built and maintained by Oracle will be done using their own cloud integration products and services.

## THE SOLUTION

The Cloud Connectors has successfully developed a turnkey fixed fee integration solution, that is fast to implement with the greatest return on investment and minimal impact to your business. The features of our integration solution are:

## STANDARD FEATURES

- Ongoing User Profile Sync
- User Account Management (new and terminated employees)
- Default Password Assignment
- Supervisor Accounts Creation and Management
- Dynamic group assignment

## CUSTOM FEATURES

(Additional fees apply)

- Email Notifications for New Users
- Multiple Sub-LearnCenter Membership
- Multiple Supervisor Mappings
- New Groups Creation and Data Sync

## SERVICE AND MAINTENANCE INCLUDED

All integration connections are continually maintained in our cloud environment by our support team.
